

# We are building **Transformational** and **Award-Winning Solutions**

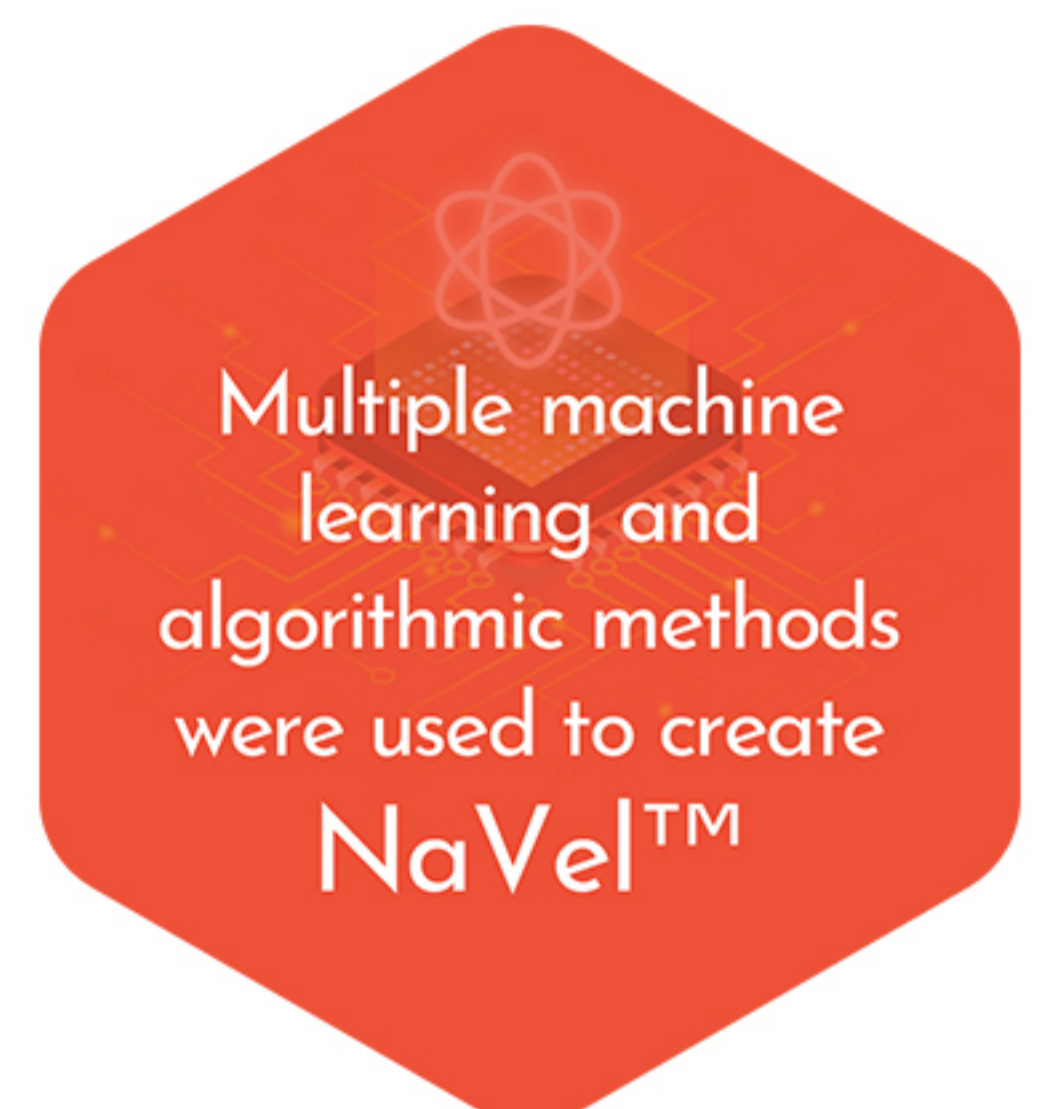

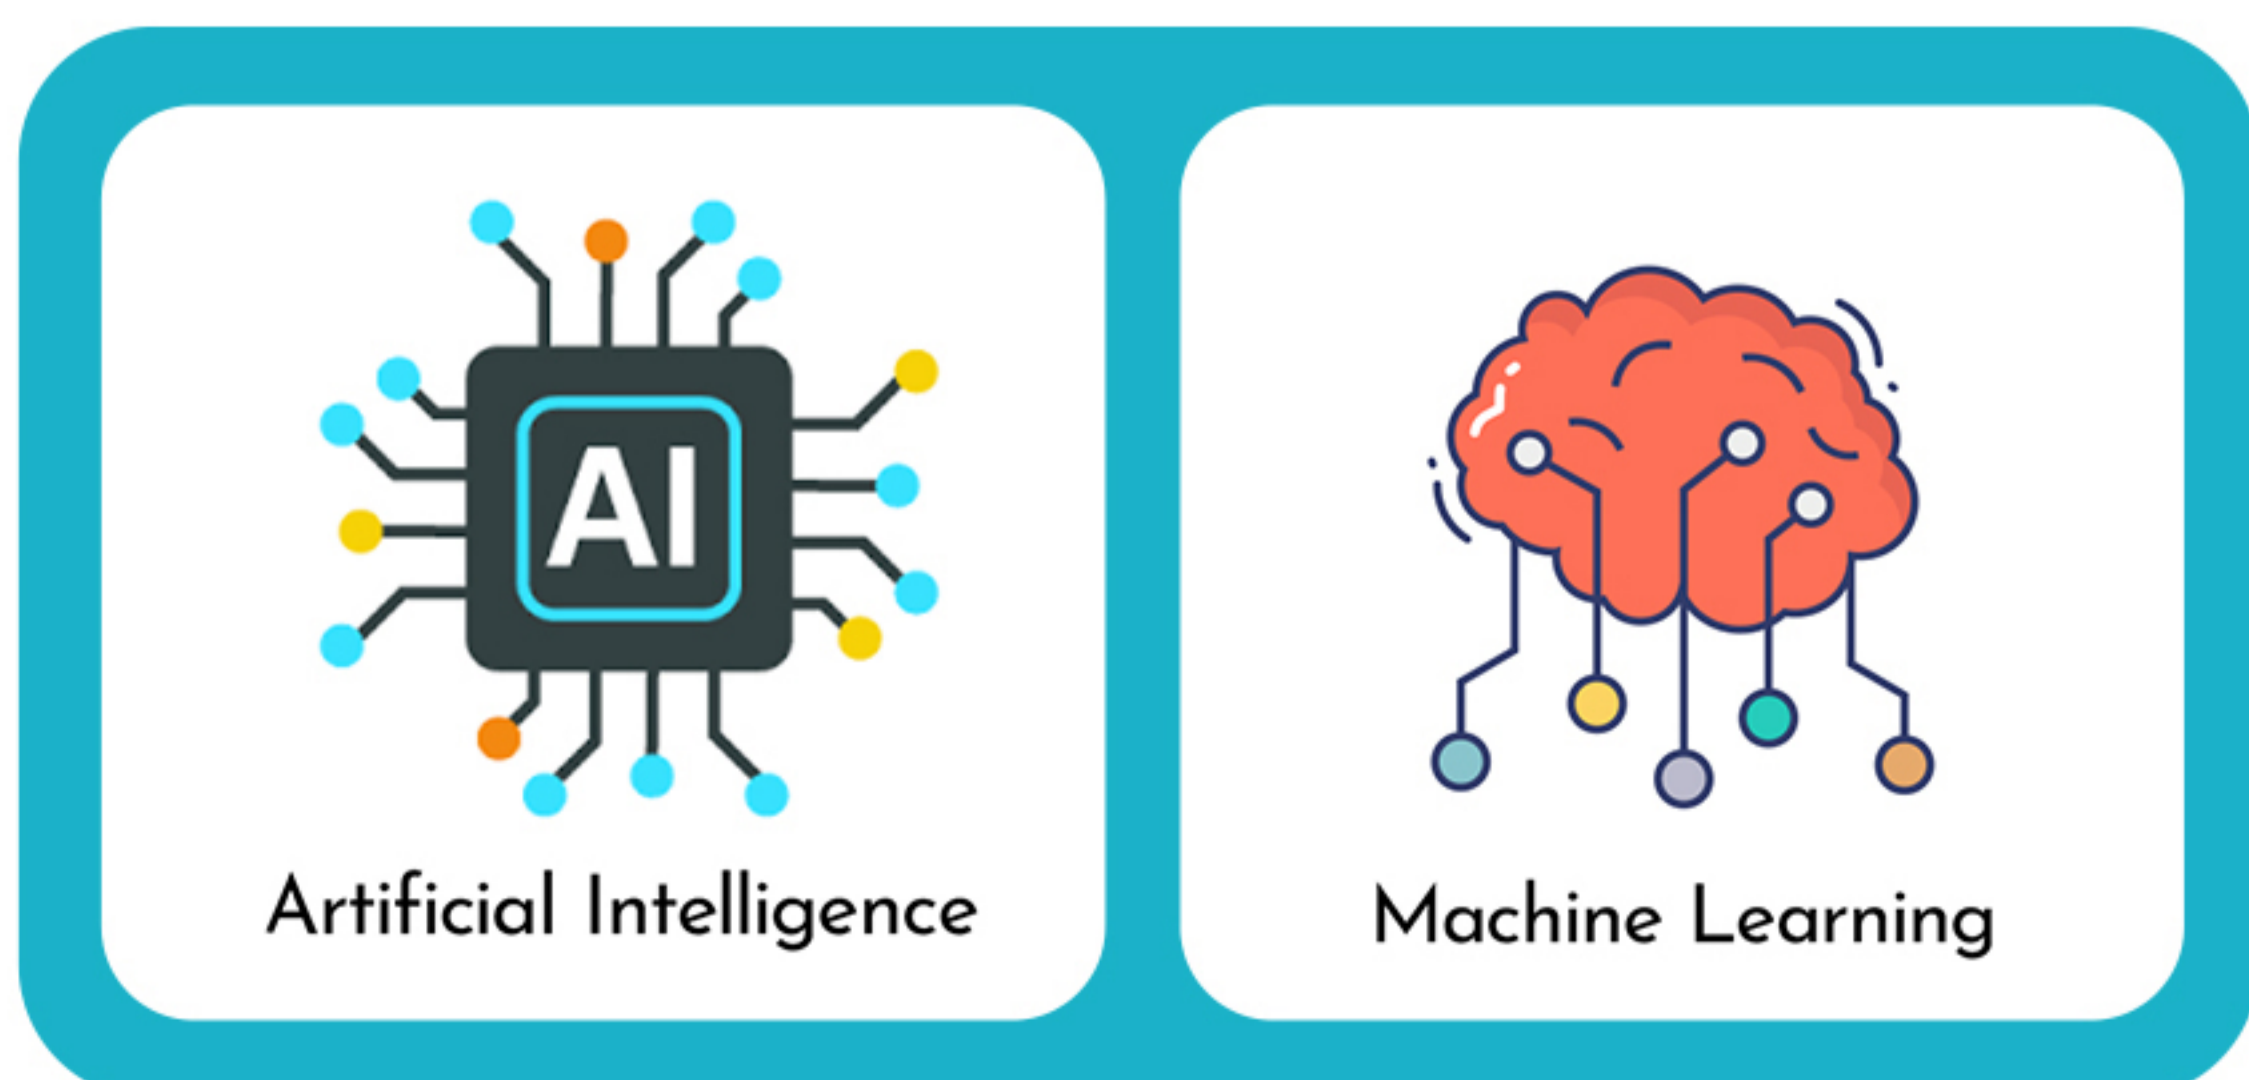

## Complex **PROBLEM** made to look **SIMPLE**

- ✓ **Bulk scoring of Closed Claims:**  
to detect any potential legal exposure within closed cases.
- ✓ **Real-time scoring of an Open Claim:**  
by pre-integrating API into the claims management software.
- ✓ **Bulk scoring of Open Claims:**  
to establish a baseline at go-live and continue to use until real-time integration is ready.

Using tens of thousands of jury verdicts & settlements, and over 10 million data point we identified patterns of **Nuclear Verdicts®** that **TRANSLATE** into patterns in claim files.
